**CARE**  
 HEALTHY SOLUTIONS FOR A HAPPIER PET

## Specialized diets designed with you and your pet in mind.

If your dog has skin sensitivities, Diamond CARE™ Sensitive Skin Formula for Adult Dogs may be the diet for you. For starters, omega-6 and omega-3 fatty acids were added in ideal ratios, as they have been shown to be beneficial to skin and coat health. Protein comes from a single, easily digestible source, while peas provide high-quality carbohydrates and aid palatability in this grain-free formula. Finally, this specialized diet is rounded out with a limited number of select ingredients. For best results, be sure to talk to your veterinarian and limit other foods, such as treats, that could also contribute to adverse skin reactions in your pet.

## BENEFITS IN THE BAG

### LOW MOLECULAR WEIGHT PROTEIN

As part of a nutritional approach to skin and coat support, hydrolyzed salmon is the single protein source.

### LIMITED-INGREDIENT DIET

A narrow selection of high-quality ingredients provides an alternative feeding option that still delivers complete nutrition for your dog.

### GRAIN-FREE & POTATO-FREE

As an alternative to grains, peas provide high-quality carbohydrates.

### OMEGA FATTY ACID BLEND

Omega-6 and omega-3 fatty acids help support healthy skin and coat.

### GUARANTEED CANINE PROBIOTIC STRAINS

To help support digestion and a healthy immune system, each cup of Diamond CARE provides a guaranteed amount of live, active cultures of K9 Strain® Probiotics. These beneficial bacteria are developed specifically for dogs and processed under strict human-grade standards to ensure purity.

### ANTIOXIDANT FORMULA

Guaranteed levels of zinc, selenium and vitamin E help support a healthy immune system.

### FIBER BLEND

An optimal blend of both soluble and insoluble fiber helps support healthy digestion.

### INGREDIENTS

Peas, pea flour, hydrolyzed salmon, sunflower oil (preserved with mixed tocopherols), flaxseed, natural salmon flavor, tomato pomace, salmon oil (preserved with mixed tocopherols), dicalcium phosphate, calcium carbonate, choline chloride, taurine, dried Lactobacillus acidophilus fermentation product, dried Bifidobacterium animalis fermentation product, dried Lactobacillus reuteri fermentation product, vitamin E supplement, iron proteinate, zinc proteinate, copper proteinate, ferrous sulfate, zinc sulfate, copper sulfate, potassium iodide, thiamine mononitrate (vitamin B1), manganese proteinate, manganese oxide, ascorbic acid, vitamin A supplement, biotin, niacin, calcium pantothenate, manganese sulfate, sodium selenite, pyridoxine hydrochloride (vitamin B6), vitamin B12 supplement, riboflavin (vitamin B2), vitamin D3 supplement, folic acid.

Contains a source of live, naturally occurring microorganisms.

### GUARANTEED ANALYSIS

Crude Protein .....	22.0%	Minimum
Crude Fat .....	12.0%	Minimum
Crude Fiber .....	4.5%	Maximum
Moisture .....	10.0%	Maximum
Zinc .....	150 mg/kg	Minimum
Selenium .....	0.35 mg/kg	Minimum

\*Not recognized as an essential nutrient by the AAFCO Dog Food Nutrient Profiles.

### CALORIE CONTENT

3,510 kcal/kg (328 kcal/cup) Calculated Metabolizable Energy

### PRODUCTION CODE

### FEEDING GUIDE

STANDARD MEASURING CUPS/DAY	
WEIGHT (LBS.)	AMOUNT TO FEED
5 - 10	¾ - 1¼
10 - 20	1¼ - 1¾
20 - 30	1¾ - 2½
30 - 40	2½ - 3
40 - 60	3 - 4
60 - 80	4 - 5
80 - 100	5 - 5¾
100 - 125	5¾ - 7
125 - 150	7 - 8
150 - 175	8 - 9

Remember to keep plenty of fresh water available to your pet at all times.

### CHANGING TO DIAMOND CARE SENSITIVE SKIN FORMULA FOR ADULT DOGS

Changing your pet's diet should be a gradual process. Start by adding a small amount of your pet's new food to their current food. Gradually increase the new food amount and decrease the current food amount at each feeding. Continue this method for approximately one week. For sensitive dogs, extend the period to 10 to 14 days.

### NUTRITION STATEMENT

Animal feeding tests using Association of American Feed Control Officials procedures substantiate that Diamond CARE™ Sensitive Skin Formula for Adult Dogs provides complete and balanced nutrition for maintenance.

### OUR GUARANTEE OF QUALITY
