

Diamond
CARE
 HEALTHY SOLUTIONS FOR A HAPPIER PET

Specialized diets designed with you and your pet in mind.

A few extra pounds on your cat may not seem like a cause for concern. But too much weight can be bad for her health. The good news is Diamond CARE™ Weight Management Formula for Adult Cats can help address your cat's weight issue without leaving her feeling hungry. Powdered cellulose, a source of insoluble fiber, helps your cat feel full, while L-Carnitine aids the body in metabolizing fat. And to make sure your cat gets all the nutrients she still needs, this formula is rounded out with omega fatty acids, guaranteed antioxidants and probiotics for digestive health. This is a complete diet, so you can feed it long-term. Just check with your veterinarian before making any changes to your cat's diet.

BENEFITS IN THE BAG

INSOLUBLE FIBER
 Helps cats feel full.

L-CARNITINE
 Helps the body metabolize fat.

GRAIN-FREE
 As an alternative to grains, chickpeas and lentils provide high-quality carbohydrates.

ANTIOXIDANT FORMULA
 Guaranteed levels of zinc, selenium and vitamin E help support a healthy immune system.

GUARANTEED PROBIOTIC STRAINS
 To help support digestion and a healthy immune system, each cup of Diamond CARE provides a guaranteed amount of live, active cultures of Viables® Probiotics. These beneficial bacteria are processed under strict human-grade standards for guaranteed purity and viability.

PRODUCTION CODE

FEEDING GUIDE

WEIGHT (LBS.)	STANDARD MEASURING CUPS/DAY	
	WEIGHT LOSS	WEIGHT MAINTENANCE
5 - 8	-	½ - ¾
8 - 12	¾ - ¾	¾ - 1
12 - 16	¾ - 1	1 - 1¼
16 - 20	1 - 1¼	-

Remember to keep plenty of fresh water available to your pet at all times.

CHANGING TO DIAMOND CARE WEIGHT MANAGEMENT FORMULA FOR ADULT CATS

Changing your pet's diet should be a gradual process. Start by adding a small amount of your pet's new food to their current food. Gradually increase the new food amount and decrease the current food amount at each feeding. Continue this method for approximately one week. For sensitive cats, extend the period to 10 to 14 days.

NUTRITION STATEMENT

Diamond CARE™ Weight Management Formula for Adult Cats is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance.
