No·Bite™

FLEA AND TICK MIST

DIRECTIONS FOR USE: IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. **READ ENTIRE LABEL BEFORE EACH USE.** USE RESTRICTIONS: THIS PRODUCT IS FOR INDOOR USE ONLY. USE ONLY ON DOGS AND CATS. CONSULT A VETERINARIAN BEFORE USING THIS PRODUCT ON DEBILITATED, AGED, PREGNANT OR NURSING ANIMALS. DO NOT TREAT DOGS UNDER 6 MONTHS OF AGE WITH THIS PRODUCT. DO NOT TREAT CATS UNDER 7 MONTHS OF AGE WITH THIS PRODUCT. Do not use in aircraft cabins. Do not wet articles to point of runoff or drip. Do not use treated articles until spray has dried. Application of this product is prohibited directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow this product to enter any drain during or after application. **FOR DOGS AND CATS:** Cover animal's eyes with a hand. Do not spray directly on mouth, nose or eyes. Spray head, ears and chest until damp. With fingertips, rub into face, and around mouth, nose and eyes. Then spray from neck to tail, finishing legs last. For best penetration of spray to skin and on heavy-coated animals, direct spray against the natural lay of the hair, spraying the ruffled hair directly behind the hand. Make sure the spray thoroughly wets ticks. Avoid contact with genitalia. Repeat as required, but not more often than once every 7 days. **FOR PUPPIES OVER 6 MONTHS AND KITTENS OVER 7 MONTHS:** Wrap the animal in a towel that has been sprayed lightly with this product. Leave eyes, nose and mouth exposed. Put some spray on the finger and gently rub around eyes, nose and mouth area. Keep animal wrapped for 5 to 10 minutes. Fleas may then be removed from the coat by picking or combing. For best results, all dogs and cats should be treated with a similar flea control product such as IGR No-Bite to prevent reinfestation. Do not spray directly on puppies and kittens. Avoid contact with genitalia. Repeat as required, but not more often than once every 14 days. Sensitivities may occur after using any pesticide product on pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals, and food and pet food.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID

IF SWALLOWED:

- Immediately call a poison control center or doctor.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing eyes.
- Call a poison control center for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies, or pesticide concerns), you may call 1-888-740-8712.
