

# PROFESSIONAL<sup>+</sup>

## GRAIN-FREE NUTRITION PLUS PROBIOTICS<sup>®</sup>

### LAMB & LENTILS FORMULA FOR ADULT DOGS

Exceptional pets deserve no-nonsense nutrition. But your dog doesn't have to be a professional to benefit from premium ingredients. Professional<sup>+</sup> delivers complete, grain-free nutrition at an affordable price, without compromising on quality.

THE INGREDIENT	THE PURPOSE
Lentils, sweet potatoes and peas	Provide quality carbohydrates, taste great and are great alternatives to grains.
Grain-free	Some dogs are sensitive to grains. So, no grains.
K9 Strain <sup>®</sup> Probiotics: 80 million colony-forming units per pound (L. plantarum, B. subtilis, L. acidophilus, E. faecium, B. animalis)	Beneficial bacteria that help balance bad bacteria and support the GI and immune systems. Our proprietary probiotics are derived from strains naturally found in the canine GI tract, and are added after the cooking process to guarantee viability.
Pasture-raised lamb	As in 100% real lamb. No confined living spaces or by-product meals.
Chicken fat and flaxseed	Provide omega fatty acids. Vital for healthy skin and a shiny coat.
Tomato pomace and dried chicory root	Provide fiber. Help support healthy digestion and the elimination of waste.
Selenium and vitamin E	Powerful antioxidants. Help support the immune system.
Glucosamine and chondroitin	Help support joints and the cartilage between them.

Total Microorganisms*	Not Less Than 80,000,000 CFU/lb	

(Lactobacillus plantarum, Bacillus subtilis, Lactobacillus acidophilus, Enterococcus faecium, Bifidobacterium animalis in descending amounts)

\*Not recognized as an essential nutrient by the AAFCO Dog Food Nutrient Profiles.

#### CALORIE CONTENT

3,392 kcal/kg (317 kcal/cup) Calculated Metabolizable Energy

#### PRODUCTION CODE

#### FEEDING GUIDELINE

Weight (lbs.)	Standard Measuring Cups/Day
3	1/2
5	3/4
10	1 1/4
20	1 3/4
30	2 1/2
40	3 1/4
60	4 1/4
80	5 1/4
100	6 1/4

For adult dogs over 100 pounds, add 1/2 cup for every 10 additional pounds.

**Remember to keep fresh water available to your pet at all times.**

Store product in a dry, cool place.

#### CHANGING TO PROFESSIONAL<sup>+</sup> LAMB & LENTILS FORMULA FOR ADULT DOGS

Changing your pet's diet should be a gradual process. Start by adding a small amount of your pet's new food to their current food. Gradually increase the new food amount and decrease the current food amount at each feeding. Continue this method for approximately one week. For sensitive dogs, extend the period to 10 to 14 days.

#### AAFCO STATEMENT

Professional<sup>+</sup> Lamb & Lentils Formula for Adult Dogs is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for maintenance.

**MADE IN THE USA WITH HIGH-QUALITY INGREDIENTS FROM TRUSTED LOCAL AND GLOBAL SOURCES.**
